

# It's Tech Time!

*Your feedback through our Professional Development Committee has resulted in the resurrection of Tech Time. Just as before, sessions will be repeated in each building on the same day. One difference however, is that some of the sessions are 30 minutes instead of the traditional 15. Review the offerings and attend as you see fit.*

*Lower Cape May Regional High School Media Center*

*2:30 pm*

*Richard M. Teitelman School Media Center*

*3:10 pm*

***Bring your Laptops!***
