CELEBRATING HISPANIC HERITAGE MONTH

Biography Project

Look at the list on my web page or search for a Famous Hispanic person of your choosing to do your project on.

What needs to be included:

- General Biographical information (date of birth, where born)
- What Hispanic country is he/she from
- How is he/she considered Hispanic American / Hispanic (Who's side is Hispanic? Both?)
- What influence has he/she had on the United State, his/her native country and across the world
- Greatest accomplishments
- Information about their native country – where is it located, 3 interesting tourist location you would want to visit, 3 interesting foods you would want to try, cultural celebrations you would want to take part in.

FOR EXTRA CREDIT – You can choose to make and bring in a traditional food from the native country of your famous Hispanic person. It will be due on a specific date. You must bring enough for everyone in class. Please notify me of any allergies or concerns we have. There are links on the school website under Department Links. There is also a link to this page on my webpage under Links. Look for EASY recipes like desserts or appetizers. You are welcome to make main dishes, but these tend to be easier to eat.

Hispanic Heritage Month Questions –

1. What is Hispanic Heritage Month?
2. When was Hispanic Heritage Month first recognized?
3. What president first recognized Hispanic Heritage Month?
4. What are the differences between the proclamations – 1968? 1988?
