The Library Media Centers of the LCMR School District provide a wide range of materials for research, study, and recreational reading. While the District is required to provide materials which meet the needs and interests of all students, we understand that some materials may not be suited to all families' values. Please check one of the following and return it to your child's school library media center. If you do not return this completed form, your child will have Level 1 access. A complete listing of all Library Media Center materials can be accessed at: https://Lcmr.follettdestiny.com , and selecting the appropriate school. Please note that Richard M. Teitelman School students do NOT have access to materials listed in the Lower Cape May Regional High School Media Center catalog. Default: Students can select library books at their discretion. Restricted Access: A parent/guardian may choose library books which their child is NOT permitted to checkout of the library. The student will have Level 1 access to all other books in the library media center.			
		My child may NOT check out these books:
